## File No.S-11011/3/2020-SBM-DDWS-Part(2)

Subject: Clarification on 30% contribution from 15<sup>th</sup> Finance Commission funds for villages level Solid and Liquid Waste Management (SLWM) Activities.

Madam/Sir,

I am directed to refer to para 15.1 of SBM(G) Phase-II Operational Guidelines which inter alia provides funding Provisions for village level SLWM in SBMG Phase II, as under:

	Village size	Financial support
	Upto 5000 population	Solid Waste Management: Upto Rs.60 per capita Greywater Management: Upto Rs.280 per capita
Village level SLWM activities	Finance Comm  2. Each village contheir required management.  3. The savings under a village cand village and single component, if	Solid Waste Management: Upto Rs.45 per capita Greywater Management: Upto Rs.660 per capita mount will be borne by the GPs from their 15th mission grants.  an utilize a minimum of total Rs. 1 lakh based on ments for both solid waste and greywater der Solid Waste Management component, if any, in the used for Grey Water Management in the same milarly savings under Grey Water Management any, in a village can be used for Solid Waste
	Management ir	the same village.

State / UT Governments will have the flexibility to provide higher incentive / additional funding from other sources such as 15<sup>th</sup> Finance Commission grants, MPLAD / MLALAD / CSR funds or through convergence with MGNREGS or other schemes of the State or Central Governments, etc."

2. In this context, some States have stated that booking of 30% expenditure from 15th FC and 70% from SBM(G) against each asset for Solid Waste Management and Grey Water Management in a village is difficult and not practically feasible and requested to allow 30% 15th FC contribution against the overall expenditure incurred on SWM and GWM assets constructed in a village under SBM(G).

Contd....

3. In view of the above, it is clarified that the minimum 30% contribution from 15th FC grants for SWM and GWM assets constructed in a village under SBM(G) is to be ensured against the overall expenditure incurred out of SBM(G) funds on all such assets permitted under the programme in a financial year. Booking of asset-wise expenditure of 30% funds from 15<sup>th</sup> FC and 70% from SBM(G) is not necessary. This may be brought to the notice of all the implementing agencies

Yours faithfully,

(Uday Narayan Sinha)

Deputy Secretary to the Government of India
