

Sh. C. R. Patil

## From the Union Minister

Swachhata is not a one-time goal but a continuous journey. As we work towards a Viksit Bharat, sanitation must remain a sustained, people-led effort powered by true Jan Bhagidari. We need to understand the importance of "measuring to manage", a principle that underpins the impact of flagship programmes.

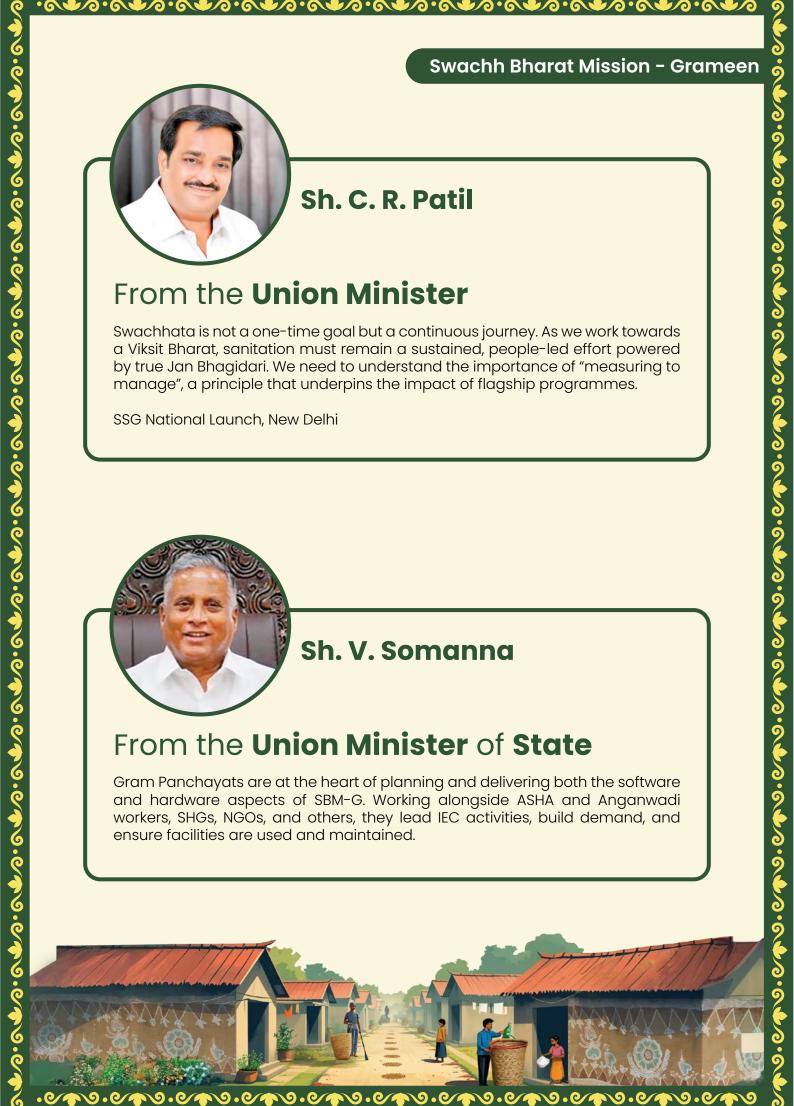

SSG National Launch, New Delhi

Sh. V. Somanna

## From the Union Minister of State

Gram Panchayats are at the heart of planning and delivering both the software and hardware aspects of SBM-G. Working alongside ASHA and Anganwadi workers, SHGs, NGOs, and others, they lead IEC activities, build demand, and ensure facilities are used and maintained.

# From the Secretary's Desk

As we marked International Yoga Day this month, it reminded us that the principles of balance, discipline, and collective well-being apply equally to our work in rural sanitation. SBM-G's future will rely on strong and empowered institutions, from Village Water and Sanitation Committees to District and State Water and Sanitation Missions who must lead community-driven operations and maintenance. Strengthening these bodies at every level will ensure that rural sanitation systems remain resilient, inclusive, and community owned.

**Shri Kamal Kishore Soan** 

# From the Additional Secretary & **Mission Director's Desk**

As we move forward, it is essential that our progress under SBM-G is continually reviewed and measured. Monitoring and evaluation are not just administrative tasks, but tools to ensure that every effort leads to lasting impact. Strengthening the capacity of State and District Water and Sanitation Missions, along with community institutions, help in gap identification and corrective action, ensuring the mission remains on track for sustained results.

# **DDWS Joins International Day of Yoga 2025**

*^*``�^``��``��``��``��

The Department of Drinking Water and Sanitation (DDWS), Ministry of Jal Shakti, proudly participated in the 11th International Day of Yoga on June 21, 2025, under the theme "Yoga for One Earth, One Health." This year's celebration was not just about yoga—it was a nationwide movement linking wellness with water, sanitation, and community empowerment.

Recognizing that clean water and hygiene are essential for holistic health, DDWS mobilized its vast network of Village Water and Sanitation Committees (VWSCs) and Public Health Engineering Departments (PHEDs) to organize yoga sessions in safe, inclusive spaces across the country. These efforts reinforced the idea that sanitation infrastructure is foundational to both physical and mental well-being.

### Key Highlights from DDWS Participation:

- 304,958 yoga events organized across 16 States/UTs
- Over 23.3 million participants engaged
- 19,436 VWSCs and 633 PHEDs registered
- Events were held at WASH assets, schools, and community centers

## **DDWS and UNICEF host the National Rural Sanitation Workshop**

**^**��:**��**:**��**:**��**:**��**:��:��:��

On July 2, 2025, DDWS in collaboration with UNICEF India, hosted the National Rural Sanitation Workshop at the India Habitat Centre, New Delhi. The event marked a pivotal moment in the journey of the SBM-G, as stakeholders gathered to reflect, recalibrate, and reimagine the next phase of rural sanitation in India.

The workshop brought together senior government officials, state mission directors, development partners, and sector experts to reflect on progress and set priorities for the future, emphasizing the importance of dignity, equity, and climate resilience in sanitation efforts.

The workshop focused on making sanitation systems more inclusive, resilient, and sustainable especially in the face of climate challenges. It brought together senior officials, state mission directors, development partners, and experts to discuss innovations, local leadership, and the evolving role of Gram Panchayats.

One of the key voices at the event was Shri Sushil Kumar Lohani, Additional Secretary, Ministry of Panchayati Raj, who emphasized the growing role of Gram Panchayats in driving sanitation outcomes. He noted:"Local governance is at the heart of sustainable sanitation. With over 2.5 lakh Panchayats actively planning and tracking their progress, we are witnessing a transformation where villages are not just beneficiaries but leaders of change."

The event also saw the launch of new protocols aimed at protecting sanitation workers and designing climate-resilient infrastructure underscoring the government's commitment to equity, safety, and innovation.

# **Marking International Plastic Free Day in West Bengal**

∕^`©�^`©�^`©�^`©�

To mark International Plastic Free Day (July 3), the Department of Panchayats and Rural Development, Government of West Bengal, undertook a series of activities to spread awareness about the harmful effects of single-use plastic and to promote sustainable alternatives.

Special drives were undertaken to mobilize local communities and to spread the message of appropriate disposal of plastics waste. Participation of schoolchildren, panchayat functionaries and other important stakeholders indicates growing consciousness of the community towards environmental responsibility.

The event witnessed participation from Hon'ble Minister in-Charge (HMIC) Shri Pradip Kr. Mazumdar and Hon'ble Minister of State (HMOS) Shri Becharam Manna who participated in the 'Donate Plastic Waste for Eco friendly cloth bags' drive aimed at promoting biodegradable alternatives and discouraging the use of plastics. Hon'ble MIC, P&RD Department and Hon'ble MOS P&RD Department administered a pledge to the Senior officials of the Department to stop using single use plastic and thermocol.

On International Plastic Bag Free Day, the village of Balloh in Block Rampura, District Bathinda, Punjab took a significant step toward sustainability by operationalizing its Plastic Waste Management Unit. The unit was handed over to the Gram Panchayat for further leadership.

To amplify the impact of this initiative, the Panchayat members also invited Sarpanchs from across Block Rampura to participate in a collective plastic waste collection drive. Demonstrating strong community spirit, GP Balloh arranged transportation to ensure the collected waste could be efficiently moved to the processing plant.

Thanks to the active involvement of villagers and local leaders, the campaign led to the successful collection of 3.5 quintals of plastic waste. The Panchayat distributed 3.5 quintals of jaggery among the villagers symbolizing both appreciation and the sweet reward of collective action.

# 260 गांवों का होगा स्वच्छता सर्वे ग्रामीण एप से दे सकेंगे फीडबैक

अमर उजाला ब्यूरो

देहरादून। प्रदेश के 95 विकासखंडों के 260 गांवों में इस बार स्वच्छता सर्वेक्षण होगा। स्वजल निदेशालय ने स्वच्छ सर्वेक्षण ग्रामीण के लिए प्रशिक्षण कार्यशाला शुरू कर दी है। इस बार मोबाइल ऐप के माध्यम से ग्रामीण भी अपना फीडबैक दे सकेंगे।

स्वच्छता सर्वेक्षण ग्रामीण के लिए देशभर में फील्ड डाटा संग्रहण, विश्लेषण एवं मूल्यांकन के लिए यह प्रशिक्षण दिलाया जा रहा है। मिशन की राज्य समन्वयक हिमाली जोशी पेटवाल ने बताया कि प्रति जिला 20 गांव के हिसाब से प्रदेश के 260 गांवों में स्वच्छता सर्वेक्षण होगा। सर्वेक्षण निर्धारित बुनियादी ढांचे, जन सहभागिता, व्यवहार परिवर्तन एवं सेवा वितरण जैसे पहलुओं पर आंकड़े देगा।

स्वजल के इकाई समन्वयक सुनील तिवारी ने बताया कि सर्वेक्षण के बाद जिलों व गांवों की रैंकिंग निर्धारित अंक प्रणाली के आधार पर तय की जाएगी। यह रैंकिंग स्वच्छता से जुड़ी विभिन्न श्रेणियों जैसे-व्यक्तिगत शौचालय की स्थिति, सामुदायिक
